

INVITATION TO HEALTH

As part of our Health Awareness Program The Health Information Association is pleased to extend to you the opportunity to receive a complimentary consultation and 2 X-Rays, at no cost or obligation. These services are valued at \$200.00 and are provided as a public service by the Health Information Association and it's participating Chapter Member.

Millions of people have health problems caused by accidents, yet they often hesitate to get their problem check because of the initial cost. Therefore, we are providing this HEALTH PASS. It may be used at this office to reduce or defray the initial cost of your medical care, including, if indicated: consultation, x-rays and initial exam and diagnosis up to the value shown above.

Restrictions: (1) This HEALTH PASS is for the purpose of allowing people to find out if treatment may be indicated for their problems, and is to be applied to the initial services rendered, up to the value of the PASS; (2) Only one HEALTH PASS per person, not transferable, and not to be used in conjunction with any other offer of discounted or free services; (3) This HEALTH PASS cannot be used to satisfy deductibles or copayments required by the patient's insurance or health care plan.
